MEMORANDUM FOR: Executive Director of Central Intelligence

FROM: Robert M. Gates
Deputy Director for Intelligence

SUBJECT: Human Subjects Research

REFERENCE: Memorandum of 20 October 1982

1. Action Requested: That you approve the recommendation in paragraph 3 below for a senior officer in DDI to be responsible for reviewing proposed projects and activities for possible human subject research implications.

2. Background. Executive Order 12333 charges the Agency with responsibility for conducting human research under Health and Human Services (HHS) guidelines. The DDI officer nominated in paragraph 3 below serves a similar function for [redacted] tal and is thoroughly familiar with HHS guidelines.

25X1

3. Recommendation: That [redacted] of the Life Sciences Branch of OSWR be designated the DDI review officer for human subject research.
